# AIDUS QTS BALANCE INDEPENDENT ACCOUNTANT'S REPORT BY PKF O'CONNOR DAVIES

## Independent Accountants' Report on Applying Agreed-Upon Procedure

### The Management of AISYS Global Pte. Ltd.

We have performed the procedure described below, which was agreed to by the management of AISYS Global Pte. Ltd. (the "Specified Party" and the "Responsible Party") on the customer account balances in FX trading accounts (the "Subject Matter") as provided to us by the Responsible Party and listed in Appendix A. The Responsible Party is responsible for the customer account balances listed in the AIDUS Report (defined below) as well as the data in the online trading accounts. The sufficiency of the agreed-upon procedure performed by us is solely the responsibility of the Specified Party. Consequently, we make no representation regarding the sufficiency of this procedure as described below, either for the purpose for which this report was requested by the Specified Party or for any other purpose.

The procedure and findings are as follows:

- We compared each customer account balance as of August 31, 2019 (including hypothetical account balances) as displayed in each online FX trading account specified by the Responsible Party, to each customer account balance, as provided to us by the Responsible Party in the AIDUS QTS Monthly Report (the "AIDUS Report") dated September 2, 2019. In addition, we performed the same procedure for a certain historical account balance which is included in the AIDUS Report dated September 2, 2019. Please refer to Appendix A for the customer account balances included in this agreed-upon procedure.
- The customer account balances as of August 31, 2019, as displayed in each online FX trading account agree to each customer account balance as provided to us by the Responsible Party in the AIDUS Report dated September 2, 2019, including the historical account balance on which we applied the agreed-upon procedure.

This agreed-upon-procedure engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on each customer account balance listed on Appendix A. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the management of AISYS Global Pte. Ltd. and is not intended to be and should not be used by anyone other than this Specified Party.
